

Cookies Policy

This website uses cookies to improve user experience.

Cookies are text files containing small amounts of information which are downloaded to your computer when you visit a website. With every subsequent visit to the website, the browser retrieves this information and provides you with relevant services.

The cookies used on this site are divided into the following categories:

1. Strictly necessary cookies - Functionality cookies: These cookies are essential for the operation of the site and the enhancement of its usability.
2. Preference cookies: enable a website to remember information that changes the way the website behaves or looks, like your preferred language or the region that you are in.
3. Promotional – Marketing cookies (targeting or advertising cookies): These cookies are used to deliver adverts that are more appealing to each user and more relevant to their interests.

The legal bases for the processing of data collected through cookies (except strictly necessary cookies) is user's consent. Besides the technical necessary cookies which are mandatory, all other categories require your consent prior to use. Therefore, these categories are not pre-selected and you may freely choose any category you wish in any level of cookies analysis you opt for.

Cookies are stored on the computer of a user, who can fully control their application. Users can disable or restrict cookies by adjusting their browser settings. This process can also be carried out through automatic configuration. However, please note that restricting cookies may impact the performance and functionality of our site.
